College Credits

- You are responsible for verifying what credits will transfer to schools you are applying to (AP, Clark classes, etc.)
- Look into major pre-requisites on college websites

Early Action and Early Decision

- **Early Action**: Students will submit their applications before the regular deadline and will be informed of their admissions decision soon after (typically in January or February). Although the students apply and may be accepted, **they are not committed to their Early Action school, and have until May 1 to either accept or decline their offers of admission.**
- **Early Decision**: Similar to Early Action, students will submit their applications before the Regular Decision deadline and receive their admissions decisions soon after. The most significant difference is that **Early Decision is binding**, which means that any student who applies and is admitted to a school through Early Decision is expected to enroll. Early Decision applicants typically require some type of signed form that indicates the intention to enroll upon admission.

EA and ED is appropriate for a student who:

- Has researched colleges extensively.
- Is absolutely sure that the college is their first choice.
- Meets or exceeds the admission profile for ACT and SAT scores, GPA, and class rank.
- Has an academic record that has been consistently solid over time
- Has found a college that is a strong match academically, socially, and geographically.

WHO'S MY PARENT WHEN I FILL OUT MY FAFSA®

Dependent students are required to report parent information on the *Free Application for Federal Student Aid (FAFSA)*.¹ For reporting purposes, "PARENT" means your legal (biological or adoptive) parent or stepparent, or a person that the state has determined to be your legal parent.

Use this guide to figure out which parent's information to include (depending on your family situation).

The following people are not your parents unless they have legally adopted you:

Widowed Stepparent

Grandparents

Foster Parents

Legal Guardians

Older Brothers or Sisters

Aunts or Uncles

If you're not sure whom to report as a parent, you can visit StudentAid.ed.gov/fafsa/filing-out/parent-info or call 800-4-FED-AID (800-433-3243).

- Have good essays/writing samples gathered. Often you can tweak these to fit writing prompts
- Focused (not scattered) Leadership and/or Volunteer work are often the themes of scholarships
- Make wise choices about what scholarships to apply to
- Odds are best for local scholarships (smaller applicant pool)
- Be SURE to note deadlines and give yourself plenty of time to get others to edit and suggest changes before submitting **on time**
