Philosophy

Our philosophy of learning grows out of a commitment to specific principles, which guide us in how we learn. Students and staff alike come to the school knowing that the people here teach and learn with a creative and inquisitive approach sustained by high academic integrity. Within the framework of our guiding principles we constantly ask fundamental questions which explore evidence of learning. In this school, we learn the value of individual commitment and respect for uniqueness because we live and learn everyday with people who are inventive, receptive to new ideas, responsible, and committed to learning.

Mission Statement

iTech Preparatory is a focused learning community which believes students learn best when all subjects are integrated. Through collaboration and inquiry, individuals are challenged to think critically and creatively in an effort to investigate relevant issues.
