ProQuest

- Type **globalization AND NGOs** into the search field

Use the citation tools within the databases to start a Word document with all of your resources. See your teacher-Librarian for database passwords if you need to access research from home.

OTHER WEBSITES NGOs (Non-Governmental Organizations)

[Global Policy Forum](#) is an independent policy watchdog that monitors the work of the United Nations and scrutinizes global policymaking. We promote accountability and citizen participation in decisions on peace and security, social justice and international law.

[The World Association of Non-Governmental Organizations \(WANGO\)](#) is an international organization uniting NGOs worldwide in the cause of advancing peace and global well-being. WANGO helps to provide the mechanism and support needed for NGOs to connect, partner, share, inspire, and multiply their contributions to solve humanity's basic problems.
