

# Creating your OneClickdigital account

1) On the OneClickdigital homepage, click on **Create New Account**

2) Fill out the form. When filling in your personal information, use the same username and password that you use to log onto your school computer account. This should be Student ID and the password you use to log onto the computer.

A screenshot of the 'Create an Account' form. The title is 'Create an Account'. Below it is a heading 'Library Information' and a note: 'In order to validate your account we need the following information:'. There are three sections of radio button options: 'Operating System' (Windows selected), 'Download Method' (Use OneClickdigital Media Manager selected), and 'Portable Device Type' (Apple Device(iTunes) selected). Below these is a heading 'Personal Information' with two columns of input fields: First Name, Last Name, Zip/Postal Code, Username, Password, Email Address, and Confirm Email Address. At the bottom, there are two buttons: 'Continue Browsing' and 'Create an Account'. The 'Create an Account' button is circled in red, and a red arrow points to it from the text below.

3) Click on **Create Account** and you are ready to use OneClickdigital!
