

Beg. Video Project #1: Shot Composition: “Hi” or “Hello” or “Hey”

1. You must use at least 5 WS's, 5 MS's and 20 CU's.

WS = Wide shot. This shot introduces a new location, new people or new ideas. Think of it as the “Once Upon a Time...”

MS = Medium shot. This is the action. Moves the story forward.

CU = Close Up. Details... Emotions... Keeps me interested.
