

60 minutes per week!

Observational/creative drawing: Goal: To practice and develop your drawing skills and creative thinking. You will work with a variety of media and subjects, choosing each quarter what you want to work on.

Artist Visual Research: No artist creates work in a bubble! Look at other artists work and visual imagery that you find inspiring and interesting- Use books, the internet, and/or **visit a museum or art gallery**. Collect a minimum of one article of visual research a week to add to your clip file of inspiration in your sketchbook. (8 artists by end of the quarter)

Collect and collage imagery into your sketchbook!!!!!!!!!!

Due Dates: Thursday check off	Drawing: Media of choice, subject of choice <ul style="list-style-type: none"> • Use one full page for 5 developed drawings. • At least 3 of these 5 from 3-D source • 3 pages of brainstorming/idea development/ experimentations (collect doodles on other papers/napkins, brainstorm) • Discover a new technique on YouTube, try it out and get ready to teach it semester 2 Label all work before Due Date!	Artist Visual Research- Inspiration Print out(or draw) an example of an artists work you find inspiring. Record: <ul style="list-style-type: none"> • the Artists' Name, date, and medium • where you found the image • Why you chose this piece • Interesting information you found about the artist/artwork etc. 	Give and Get Feedback Parent/ Artist Signature
