

Tool Box Bash

Dear Friends,

Evergreen Habitat for Humanity is excited to be celebrating 20 successful years of building new homes for deserving families. I am personally proud of this milestone and am looking forward to a great night of fun, great food, and a chance to toast Evergreen Habitat's accomplishments!

I hope that you will be able to join me at the Tool Box Bash. An enthusiastic committee has been devising games, selecting excellent food, and assembling an auction and raffle. I look forward to some of the competitions that they have planned for us.

The event is being held at the Event Center at the Clark County Fairgrounds-a big space for a big party! or call for details (360-737-1759). The cost is \$45 and all proceeds will fund upcoming Habitat builds.

The last 20 years have produced 21 Habitat houses. I can't wait to see what the next 20 years bring. Looking forward to seeing you there!
