## Wish Flag Project Reflection

Respond thoughtfully and thoroughly to each question regarding your project. After reflecting on each question. Self-assess your work on a scale from 4-1. 4=distinguished 3=proficient 2=emerging 1=undeveloped/unfinished

**1. Content: Reflect on issues you care about and choose a wish for envisioning a positive future. S\_\_/4 T\_\_/4**

What is your wish? What words did you choose to incorporate into your design?

**2. Composition: Use a selected monochromatic or simple color scheme, organic or geometric. S\_\_/4 T\_\_/4 shapes, texture, and/or imagery. Design the type/text of your word/s into the overall design.**

What colors, shapes, and images did you use and WHY? How do they connect back to your intention for your wish? Where did you choose to put your words in the design and why?

**3. Craftsmanship: I took my time and paid close attention to my work, doing my best. S\_\_/4 T\_\_/4**

What is most successful about your design? Why do you think so? If you were to change anything, what would it be?

**4. Process: I was fully engaged in the creative process. I took risks and experimented. S\_\_/4 T\_\_/4**

How did your work develop or change over time? What risks did you take? What ideas did you get as you worked with materials, that you did not have in the beginning?

Total= \_\_\_\_/16 divided by 4= \_\_\_\_\_

**Student Feed Back:**

What was the most important thing you learned from this project?

What worked well about the way this project was taught? What inspired you?

What suggestions do you have?
