

### Self Assessment Rubric

Highlight how well you have met each standard and type a statement of evidence describing your reasoning:

	<b>4- Distinguished</b> Please circle all standards you met and write a statement of evidence for each Standard in space provided.	<b>3- Proficient</b>	<b>2- Developing</b>	<b>1-Under developed</b>
<b>Technique:</b>	I demonstrated my learning using the following tools and techniques, and know the short cuts to achieve them: <ul style="list-style-type: none"> <li>• Create a shape from the center</li> <li>• Edit polygon tool to triangle or other sided shape</li> <li>• Unite many overlapping shapes into one</li> <li>• Add a complex gradient with multiple shifts from light to dark</li> <li>• Add an anchor point, convert an anchor point, and use handles to make a straight line curved</li> <li>• Change the font and size of text</li> <li>• Warp text</li> <li>• Create a brick pattern</li> </ul>	4 out of the 5 requirements	3 out of the 5 requirements	2 or less
		<b>STATEMENT OF EVIDENCE:</b> Are there any of the listed tools you did not try or do?		
<b>Design:</b>	<b>You design includes each of the following requirements:</b> <ul style="list-style-type: none"> <li>• You chose intentional color palette from your knowledge of color schemes</li> <li>• Design is symmetrical</li> <li>• Choice and placement of font is intentional</li> </ul>	3 out of the 4 requirements	2 out of the 4 requirements	Less than 2
		<b>STATEMENT OF EVIDENCE:</b> What color scheme did you use for this design?  Is the bottle in the middle of the page?  Describe your choice and placement of font:		
Engage and Persist  Growth and Risk Taking	<ul style="list-style-type: none"> <li>• When something was challenging I was able to problem solve and ask questions when I needed help.</li> <li>• I challenged myself and was fully engaged in the process</li> <li>• I completed the experience, took notes and learned important new tools and techniques</li> </ul>	2/3	1/3	.5/3
		<b>STATEMENT OF EVIDENCE:</b>
